Cooperative Playgroup

ABOUT G STREET CO-OP

The G Street Cooperative Playgroup was established in 2004 to serve families in the Capitol Hill community. The playgroup is entirely parent-run and provides opportunities for social growth for two-year-olds.

- Two classes of eight children (Mon/Wed/Fri and Tu/Th)
- Parents are on duty about 2-3 times per month
- Two parents are on duty for each class

OUR PHILOSOPHY

Children should come to love school, their friends, and their "teachers". We want them to develop self-esteem, gain independence, make friends, experience mutual respect, and have fun. Our children do all of this through free play, stories, organized activities, and art projects. In a laid-back atmosphere, our children develop an early love of school and each other.

ENROLLMENT

We invite you to join the G Street Cooperative Playgroup. The 2020-2021 program will run two morning classes for children turning 2 years old by December 31, 2020. The programs will run from approximately 9:00 to 12:00, on two separate schedules: Mon/Wed/Fri and Tues/Thurs. There are a total of 16 spots available, 8 in each group.

Because there is usually more interest than spots available, a lottery is conducted. Priority is given to siblings and returning students, followed by new students through a lottery. Download an application from www.gstreetcoop.org. Applications must be accompanied by a non-refundable \$25 fee paid by check to "G Street Cooperative Playgroup." Complete details are available online.
